Dear Parents,

I wanted to write to you about some of the changes that are taking place in the Nursery School and Childcare during the summer. As part of our cycle of continuing professional development the teams will be changing during August and September. We aim for the changes to happen gradually to allow children to make relationships with the new adults in their rooms.

Natalie Chapman will be moving into to Nursery School to take over Purple Group from Harris. Children joining Nursery School from our Toddler room already know Natalie and this will support their transition. Harris Payne will move to the Toddler room to complete the final year of his apprenticeship training programme.

Mairead Pearson will be moving to the Baby Room leaving Ann Almack to lead Red group. Ann's days will change to Wednesday, Thursday and Friday within the Nursery School class.

Daisy Pennett will be moving to the Toddler Room, her move coincides with a large number of babies reaching two and moving with her.

Nikki Ingham will be joining Zakia and Mairead in the Baby Room together with a new staff member, Michelle Harrison. Michelle brings a wealth of experience with her to her new role, having previously worked as a child minder and within a local childcare setting.

Aimee Wilson has left our Baby Room during August as she has now completed her apprenticeship.

Brougham Street Nursery has had a "baby boom" among staff this term and we have said goodbye to Louise Shaw in early August and will be waving Chloe Large off next week. Both are looking forward to putting their feet up during maternity leave! Ayesha Bridge will be covering Louise's role as Childcare Manager and will be based in the Toddler Room.

Our staff picture board and web page is up to date if you want a re-cap of who is working in each room.

As a result of these changes there will be some Key Person changes and if you are affected we will inform you of these changes on a one to one basis. All of our staff are well established and I am confident that you will feel that we will continue to give you the high quality of provision that you expect from us. Please do contact myself, Nikki Ingham or Ayesha Bridge if you want to talk anything through.

Yours faithfully,

Michael Pettavel
