

Download Your Child's Learning Journey

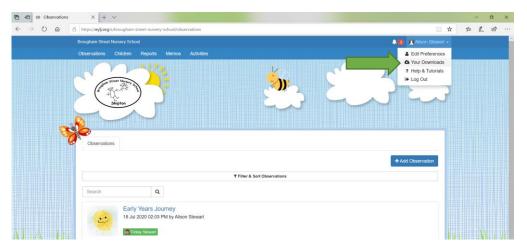

As your child is leaving us we have created a .pdf of their Tapestry Learning Journey. You should have received an email link to download the learning journey (15.07.2021); however if you haven't, this guide has been written to show you how to download the Tapestry learning journey for yourself.

Downloads are only available until the end of September. Please be aware that the email automatically sent gives the date as 13th October but this is not accurate for us as your child's profile will be deleted to allow new children to be enrolled after this date. **It is not possible to download from the Tapestry App** – instead it must be downloaded using a web browser eg safari, Chrome. You may need to download a special app to view PDFs on a mobile or tablet device.

Step 1: Log into Tapestry using the web browser version through <u>http://eylj.org</u>

Step 2: Click on your username at the top right of the screen and select 'Your Downloads' from the dropdown list.

Step 3: On the 'Your downloads' page you should see all of the downloads you have available. Click the blue Download button to download your PDF. Make sure you save it somewhere safe as Tapestry records will be deleted once your child has left!
