

If your child is leaving us to move onto primary school you will have in your child's leaving pack a CD/DVD containing a .pdf of your child's Tapestry Learning Journey. We appreciate that not everyone has a CD/DVD-ROM in their home to read it. You should have received an email link to download the learning journey (18.07.2020); however if you haven't, this guide has been written to show you how to download the Tapestry learning journey for yourself.

Downloads are only available for 21 days after being created, so don't delay downloading it. **It is not possible to download from the Tapestry App** – instead it must be downloaded using a web browser. You may need to download a special app to view PDFs on a mobile or tablet device.

**Step 1:** Log into Tapestry using the web browser version through <http://eylj.org>

**Step 2:** Click on your username at the top right of the screen and select 'Your Downloads' from the dropdown list.

**Step 3:** On the 'Your downloads' page you should see all of the downloads you have available. Click the blue Download button to download your PDF. Make sure you save it somewhere safe as Tapestry records will usually be deleted once your child has left!
